NOTICE

I, AGRON HASBAJRAMI, hereby notify the court that my entire legal team are released from their duties. They are fired. Their litigation doesn't represent my view and interest at all, so they don't have any right to litigate this case furthermore in any form or shape. Any attempt on their part would be held as violation of my rights.

Therefore, I notify the court that I will continue this case PRO SE until the further notice.

Also, I request that this court schedules a "VIDEO CONFERENCE HEARING" in order to litigate this case in accord with APPELLATE COURT decision. I remind the court that the only reason this case was remanded due to not proceeding to trial. So, I advise the court to focus on the WITHDRAWING OF THE PLEA AGREEMENT (as part of remedy suggested by 2nd circuit) and not in anything else unconstructive.
